

SHE BELIEVES IN ME

NEWSLETTER

April Highlights: Empowering Youth. Building Confidence. Inspiring Futures.

April was packed with opportunities for growth, learning, and connection for the children and teens we serve.

Teen Leadership in Action

Our teens explored confidence and resilience with The MuffinMan Project and board member Triston O'Savio. At a Lunch and Learn with our devoted partner YRCI, they learned about career growth, embracing mistakes, and staying curious. Visits to Abich Financial Services, Volkswagen of America, and ICF gave powerful insights into entrepreneurship, leadership journeys, and problem-solving in the real world.

Community Support

We were honored to receive a grant from Amazon's Northern Virginia Community Fund, a meaningful boost to our mission.

Creativity as a Life Skill

At our "She's Creative" event, kids explored art and expression. For vulnerable youth, creativity builds confidence, offers healing, and helps them find their voice.

Giving & Joy

We packed over 180 comfort bags for children in need, and celebrated the season with a joyful Easter event, complete with baskets and an egg hunt.

A Special Thank You to Our Sponsors:

YRCI, The Muffinman Project, Abich Financial, Volkswagen of America, ICF, Amazon, NCL Inc. Cherry Blossom, Mia Fontana Foundation

UPCOMING WAYS TO GET INVOLVED

Let's *Wrap Up* School and *Pack Up* for Fall!

As the school year ends, many of the children we serve are facing more than just summer break—they're facing the daily challenges of poverty, instability, and trauma.

While other kids are picking out new backpacks, many of ours are wondering if they'll have what they need to start school at all.

Our Back-to-School campaign is your chance to step in. When you sponsor a child, you're not just giving school supplies—you're giving hope, dignity, and the belief that someone cares about their future.

Together, we can send them back to school confident, equipped, and ready to rise.
